Eurazeo Patrimoine has supported C2S’s development since its acquisition in March 2018, backing the Group’s external growth policy and helping it invest in capacity and modernization to strengthen the quality and attractiveness of its clinics. Eurazeo Patrimoine contributes financial and human resources and its investment and real estate transformation experience. The integration of the Belledonne Clinic in the Group forms part of this strategy and is a major step in C2S’s development, confirming its position as a key player in the Center-East region.
